Online Check-in and Check-in kiosks

Don't wait until you get to the airport, check-in online or on your mobile from wherever you are, from 24hrs before your flight departs.

You can select your preferred seat and print your boarding pass, or download and store your boarding pass on your mobile.

If you don't have online access you can still save time by using a Check-in kiosk* at the airport, giving you the same seating and boarding pass options as Online Check-in.

Once at the airport with your boarding pass you need to check your baggage in at our Bag Drop desk before you go to security.

You will need your British Airways booking reference number in order to check-in online and this information will be sent to you with your travel documents.

* Available on selected routes.

Audio Visual On Demand (AVOD)

Currently being rolled out across all longhaul routes* AVOD gives you over 200 film, TV, music and games options, all available on-demand so that you can watch what you want, when you want.

* Not available on aircraft fitted with a 12 channel in-flight entertainment system.
